2. Participation requirements

- Do I need a specific wallet?
Answer: No, preferred wallets are compatible with minting on OpenSea.
- Is there a limit to how many NFTs one person can mint?
Answer: No, but there is a limited time window to mint.

3. In-game perks & redemption

- How do I redeem the car in-game?
Answer: Starting on 11/24, you'll be able to redeem your NFT in the game through our player portal. This is where you'll connect your wallet, redeem your NFT and we will then award your items (the car and the hard currency) in the game. More detailed instructions are here:
<https://downloads.autolegends.com/files/autolegends-w3gg-mint.pdf>
- Are the perks usable immediately after minting?
Answer: You can redeem the car and perks starting **Oct 24, 2025**

4. Cost & payment

- What payment methods are supported?
Answer: After connecting your wallet, you can use cryptocurrency to purchase the NFT. You can also use a credit or debit card via MoonPay. MoonPay helps convert your fiat currency to cryptocurrency, which is used to purchase NFTs. A credit card processing fee will apply to all credit card purchases. Gas fees may apply as well. To purchase an NFT with a credit card, you'll need to provide your first and last name and billing address. This process is not controlled by OpenSea and OpenSea doesn't store this data.
 - Are there additional fees (gas, transaction)?
Answer: Gas fees should be minimal and in the pennies as the NFTs are on Base.
